GENERAL SERVICES ADMINISTRATION
PROPERTY MANAGEMENT AND DISPOSAL SERVICE

GENERAL TERMS AND CONDITIONS FOR THE
SALE OF STRATEGIC AND CRITICAL MATERIALS

1. INSPECTION:

The bidder is invited, urged, and cautioned to inspect the material to be sold prior to submitting a bid. It will be available for inspection at the places and times specified in the invitation. In no case will failure to inspect constitute grounds for the withdrawal of a bid after opening.

The bidder may inspect the material proposed for disposal by presentation of this invitation to the Commanding Officer at military installations or the depot manager at General Services Administration installations. However, when any material offered for disposal is stored at other locations, the bidder must make arrangements with Director, Storage Division, Property Management and Disposal Service, General Services Administration, General Services Building, 18th and F Streets, N.W., Washington, D.C., 20405.

2. CONDITION OF MATERIAL:

Unless otherwise specifically stated in the invitation, all material listed therein is offered for sale "as is." The description of the material is based on the best information available to the Government. However, the Government makes no warranty, expressed or implied, as to quantity, kind, character, quality, weight, size, or description of any of the material, or its fitness for any use or purpose. Except as provided in Conditions 7 below, or 10 below, no request for adjustment in price or for rescission of the sale will be considered. *This is not a sale by sample.*

3. CONSIDERATION OF BIDS:

The bidder agrees that his bid will not be withdrawn within the period of time specified for the acceptance thereof following the opening of bids (60 calendar days if no period be specified by the Government or by the bidder, but not less than 10 calendar days in any case) and that during such period his bid will remain firm and irrevocable. The Government reserves the right to reject any or all bids, to waive any technical defects in bids, and, unless otherwise specified by the Government, or by the bidder, to accept any one item or group of items in the bid, as may be in the best interest of the Government. Unless the invitation otherwise provides, bids may be submitted on any or all items. However, unless the invitation otherwise provides, a bid covering any listed item must be submitted on the basis of the unit specified for that item and must cover the total number of units designated for that item. In case of error in the extension of prices, unit prices will govern.

4. PAYMENT:

The purchaser agrees to pay for material awarded to him at the price or prices quoted in his bid. Payment of the full purchase price, subject to any adjustment pursuant to Condition 10 below, must be made by one of the methods set forth below. The method of payment under (a) or (b) below will be determined solely at the discretion of the Government.

(a) When the Government has approved an extension of credit, then promptly after passage of title to the purchaser of any quantity of material sold hereunder, the Government will invoice the purchaser therefor at the unit price or prices specified in the contract, and the purchaser shall pay to the Government the full amount of each invoice promptly upon receipt of such invoice.

(b) When the Government has not approved an extension of credit, payment of the full purchase price must be made within the time specified for removal and prior to delivery of any of the material. However, if any adjustment is made pursuant to Condition 10 below, then payment must be completed immediately upon notice of such adjustment. The balance of the purchase price, after applying the total bid deposit made by the purchaser under the invitation (or otherwise the full purchase price), shall be paid to the General Services Administration, in cash, or by certified check, cashier's check, traveler's check, bank draft, or postal or express money order, made payable to the General Services Administration. When the Government has not approved an extension of credit and more than one shipment is made hereunder, the purchaser shall pay to the Government prior to delivery an amount equal to the

portion of the purchase price for any portion of the material scheduled for delivery. If bid deposit has been made, a pro rata amount of such deposit will be applied against each shipment.

(c) The purchaser may elect to furnish, within ten days after notice of award, an irrevocable sight commercial letter of credit issued by an acceptable U.S. Bank in favor of GSA, with terms and conditions acceptable to General Services Administration. Such letters of credit shall provide for drafts to be drawn, accompanied by documents evidencing partial delivery in amounts equal to the portion of the purchase price after applying the applicable pro rata amount of the bid deposit.

(d) The Government reserves the right to apply any bid deposits made under the invitation by a bidder against any amounts due to the Government under a contract awarded to him thereunder. In those instances where the total sum due to the Government from the purchaser on a contract awarded to him under the invitation is less than the total amount deposited with his bid, the difference will be promptly refunded to him. Also, deposits accompanying bids which are not accepted will be promptly returned.

(e) Payments by the purchaser shall be accompanied with identifying information including the contract number, invoice number, and a description of the material purchased, and shall be addressed to General Services Administration, Finance Division 3BCBC, 7th and D Streets, S.W., Washington, D. C. 20407.

5. SHIPPING INSTRUCTIONS, OUTLOADING AND DELIVERY:

(a) When delivery is f.o.b. carrier's conveyance, the purchaser shall, at least 15 calendar days prior to the desired date of shipment, furnish the Government complete shipping and document distribution instructions and the necessary commercial bill of lading to accomplish shipment, including, but not limited to, designation of type and kind of conveyance, carrier routing, minimum load per conveyance, shipping schedule, and any other pertinent instructions. For shipment not via common carrier, instructions furnished shall also include the name of purchaser's duly authorized agent who will acknowledge receipt at the storage location of the material delivered by the Government and will furnish, prior to delivery, identification acceptable to the Government. Any expenses over and above those customarily required for normal loading shall be for the account of the purchaser.

(b) When sale hereunder is on a "where is" basis, the purchaser shall, at least 15 calendar days prior to the desired date(s) of outloading, furnish to the Government the name of the agent performing the outloading and the scheduling of the outloading. The purchaser, his agent and employees shall at all times comply with all applicable rules and regulations existing at the storage depot. The purchaser shall remove all materials sold hereunder and shall leave the storage area in condition acceptable to the Government. The purchaser shall save and hold the Government harmless from any liability for or on account of any injury to the purchaser or to the purchaser's personnel, or others, and from any damage to or loss of the equipment or property of the purchaser, or others, caused by the removal operations of the purchaser.

(c) The instructions on (a) and (b), above, shall be addressed to General Services Administration, Property Management and Disposal Service, Storage Division, General Services Building, Washington, D.C., 20405.

(d) Outloading will be performed and pick-up must be accomplished between the hours of 8:30 A.M. and 2:30 P.M. local time, Monday through Friday, holidays excepted, to the extent that loading facilities and other commitments will permit.

6. TITLE:

7. RISK OF LOSS:

(1) Prior to passage of title to the purchaser, the Government will be responsible for the care and protection

Weight of the material sold hereunder shall be determined at the Government's expense by that one of the following methods which is specified elsewhere in the invitation:

The purchase price will be adjusted upward or downward in accordance with the unit price and on the basis of the quantity or weight actually delivered. No adjustment for variation will be made when material is sold on a "price for lot" basis.

(30) days from the date of receipt of such copy, the purchaser mails or otherwise furnishes to the Contracting Officer a written appeal addressed to the Administrator of General Services. The decision of the Administrator, or his duly authorized representative for the determination of such appeals, shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. In connection with any appeal proceeding under this clause, the purchaser shall be afforded an opportunity to be heard and to offer evidence in support of his appeal. Pending final decision of a dispute hereunder, the purchaser shall proceed diligently with the performance of the contract and in accordance with the Contracting Officer's decision.

(b) This "Disputes" clause does not preclude consideration of law questions in connection with decisions provided for in paragraph (a) above: Provided, that nothing in this contract shall be construed as making final the decision of any administrative official, representative, or board on a question of law.

18. CERTIFICATION OF INDEPENDENT PRICE DETERMINATION:

(a) By submission of this bid or proposal, each bidder or offeror certifies, and in the case of a joint bid or proposal each party thereto certifies as to its own organization, that in connection with this sale:

(1) The prices in this bid or proposal have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices, with any other bidder or offeror or with any competitor;

(2) Unless otherwise required by law, the prices which have been quoted in this bid or proposal have not been knowingly disclosed by the bidder or offeror and will not knowingly be disclosed by the bidder or offeror prior to opening, in the case of a bid, or prior to award, in the case of a proposal, directly or indirectly to any other bidder or offeror or to any competitor; and,

(3) No attempt has been made or will be made by the bidder or offeror to induce any other person or firm to submit or not to submit a bid or proposal for the purpose of restricting competition.

(b) Each person signing this bid or proposal certifies that:

(1) He is the person in the bidder's or offeror's organization responsible within that organization for the decision as to the prices being bid or offered herein and that he has not participated, and will not participate, in any action contrary to (a)(1) through (a)(3) above; or

(2) (i) He is not the person in the bidder's or offeror's organization responsible within that organization for the decision as to the prices being bid or offered herein but that he has been authorized in writing to act as agent for the persons responsible for such decision in certifying that such persons have not participated, and will not participate, in any action contrary to (a)(1) through (a)(3) above, and as their agent does hereby so certify; and,

(ii) He has not participated, and will not participate, in any action contrary to (a)(1) through (a)(3) above.

(c) This certification is not applicable to a foreign bidder or offeror submitting a bid or proposal for a contract which requires performance or delivery outside the United States, its possessions, and Puerto Rico.

(d) A bid or proposal will not be considered for award where (a)(1), (a)(3), or (b) above, has been deleted or modified. Where (a)(2) above, has been deleted or modified, the bid or proposal will not be considered for award unless the bidder or offeror furnishes with the bid or proposal a signed statement which sets forth in detail the circumstances of the disclosure and the head of the agency, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

19. LATE BIDS AND MODIFICATIONS OR WITHDRAWALS:

(a) Bids and modifications or withdrawals thereof received at the Office designated in the Invitation for Bids after the exact time set for opening of bids will not be considered unless: (1) they are received before award is made; and either (2) they are sent by registered mail or by certified mail for which an official dated post office stamp (postmark) on the original Receipt for Certified Mail has been obtained, or by telegram if authorized, and it is determined by the Government that the late receipt was due solely to delay in the mails or delay by the telegraph company, for which the bidder was not re-

sponsible; or (3) if submitted by mail (or by telegram if authorized), it is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the Government installation: Provided, that timely receipt at such installation is established upon examination of an appropriate date or time stamp (if any) of such installation, or of other documentary evidence of receipt (if readily available) within the control of such installation or of the post office serving it. However, a modification which makes the terms of the otherwise successful bid more favorable to the Government will be considered at any time it is received and may thereafter be accepted.

(b) Bidders using certified mail are cautioned to obtain a Receipt for Certified Mail showing a legible, dated postmark and to retain such receipt against the chance that it will be required as evidence that a late bid was timely mailed.

(c) The time of mailing of late bids submitted by registered or certified mail shall be deemed to be the last minute of the date shown in the postmark on the registered mail receipt or registered mail wrapper or on the Receipt for Certified Mail unless the bidder furnishes evidence from the post office station of mailing which establishes an earlier time. In the case of certified mail, the only acceptable evidence is as follows:

(1) Where the Receipt for Certified Mail identifies the post office station of mailing, evidence furnished by the bidder which establishes that the business day of that station ended at an earlier time, in which case the time of mailing shall be deemed to be the last minute of the business day of that station; or

(2) An entry in ink on the Receipt for Certified Mail showing the time of mailing and the initials of the postal employee receiving the item and making the entry, with appropriate written verification of such entry from the post office station of mailing, in which case the time of mailing shall be the time shown in the entry. If the postmark on the original Receipt for Certified Mail does not show a date, the bid shall not be considered.

20. DEFINITIONS:

As used throughout this contract, the following terms shall have the meaning set forth below:

(a) The term "Contracting Officer" means the person accepting the bid in whole or in part on behalf of the Government, and any other officer or civilian employee who is a properly designated Contracting Officer; and the term includes, except as otherwise provided in this contract, the authorized representative of a Contracting Officer acting within the limits of the representative's authority.
